

OPTICAL FRAMES STERILIZATION UTILIZING THE POWER OF OZONE

SPECIAL OFFER

Purchase STERI-CASE for **\$325** and GET \$100 off TRI-X3

OZONE is the most powerful disinfection solution for killing 99.999 % of bacteria and inactivating dangerous viruses, including SARS-CoV-2 (Covid-19)

- Low cost & extremely effective
- Ozone does not damage frames
- Compare to UV light disinfection which causes color fading and cracking
- Sanitizes up to 100 frames in only 15 minutes
- Dry sterilization process
- OSHA safety compliant

TRI-X3 OZONE HAND WASH STATION

\$199 less \$100 off Pay only \$99

OZONE infused water into the most powerful and safe broad-spectrum microbiological control agent available.

An Ozone Infused Water hand wash effectively removes cross-contamination from viruses, bacteria and all pathogens in seconds. Exceptional 99.999 pathogen reduction potential.

TRI-X3 installs in less than 10 minutes.
