*Be Italian! Be Inspired.*

Italy is renowned for its age-old traditions, timeless heritage, world famous art, classical music, legendary architecture, flavorful cuisine, and a rich and vibrant culture that sets it apart as a renaissance nation of international acclaim. Italy proudly boasts many prestigious designer brands in the apparel, fashion accessories, automobile, gourmet foods, and wine industries. Italian artisans are renowned for their skilled workmanship, creative designs, and extraordinary style.

The alluring beauty and charm of Italy with its rich culture, artistic spirit, and artisanal craftsmanship captivate those who have an appreciation for the Italian spirit and elegance. It is these fundamental elements that are skillfully woven into a colorful and intricate tapestry that encapsulates the *Sweet life of Italy*.

These are the essential elements behind the inspiration of the creation of Gios Italia.

Gios is an authentic luxury eyewear collection, exclusively designed and handcrafted in Italy.

The Gios brand embodies the spirit of Italy with its distinctive craftsmanship, elegant styling, and fashion chic. All frames are made from quality materials, including double and triple laminate Mazzuchelli acetates, and Titanium, blended in rich color hues and constructed with specialty hardware components that are skillfully fabricated into each frame design.
