

# GLEN LANE

Glen Lane eyewear is manufactured by Kasperek Optical, Inc.  
© Kasperek Optical, Inc. All rights reserved.

## Stately eyewear that combines classic elegance and high-end detailing.

Developed in 2016, Glen Lane offers vintage-inspired frames in a refined palette of crystals, tortoisés, and matte blacks. Each style in the collection pulls inspiration from a historical street in Detroit where the company was founded over 40 years ago.

...

The collection features handmade acetate and metal frames with detailing such as wood temples, antique finishes, geometric shapes, and bold browlines. Each Glen Lane frame is accompanied by a custom soft leatherette clamshell case.
